The status of the claims is as follows:

Claims 1-10 have been cancelled; and

Claims 11-29 (20-29 newly added) are herein addressed below.

Claim 28 is are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claim 20, lines 1-2, it is not readily apparent if the applicant is claiming a balancing device or a balancing device in combination with a suspended element. In claim 28, the applicant positively recites the suspended element. If the applicant intends on claiming the combination, then the applicant should clearly and positively set forth the suspended element in the preamble of claim 20.

Claims 11-27 and 29 are allowable.

Claim 28 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the
